

## QUALITY POLICY

The management of Fabricación y Desarrollo de Trailers (FDT) is very aware of the need to constantly improve and adapt the company to the market and, therefore, in order to meet our clients' needs, we have set ourselves the following objectives:

Our semi-trailers must comply with legal standards as well as the requirements specified by our clients, thus meeting their needs and expectations.

The planning and rationalisation of processes, methods and instructions must promote quality, increase productivity and enhance relations with our clients and suppliers in order to foster continuous improvement.

The aim of our growth must be to consolidate our position as a reputable trademark in our sector, build client loyalty and attract new clients, and enjoy optimal relations with all our stakeholders.

The company's management is firmly committed to disseminating this Quality Policy at all levels of the organisation and to providing the necessary means to ensure that it is understood, updated and implemented at all levels of the company.

Management,
